The Woman's Home Missionary Society will meet in the Methodist Church parsonage this afternoon at 2:30 o'clock. A small tan-colored dog, answering to the name of "Manoa," has been lost. Reward if returned to Dr. H. W. Howard, 1314 King street. Today at 10 a. m., at his salesrooms, Queen street, James H. Morgan will sell at public auction, a lot of koa and oak furniture, etc. See ad on page 10. On the authority of J. H. H. Pierce, chairman of the committee of organization of the Gospel Temperance League, a meeting of the committee will be held on Saturday evening at 7 o'clock, in the parlors of the Young Men's Christian Association. William Hawk, of Alameda, Cal., and Miss Annie Marshick, of Milwaukee, Wis., were united in marriage last evening at the Methodist parsonage, G. L. Pearson officiating. The young couple recently arrived in this city, and will remain here permanently. The adjourned annual meeting of the Waialua Agricultural Co., Ltd., will be held at the office of Castle & Cooke, Ltd., on Thursday, February 28, at 10 o'clock. Action will be taken upon the proposed amendments to the by-laws, and the advisability of issuing bonds upon the property, or increasing the capital stock of the company will be considered. ELECTION OF OFFICERS. Pioneer Mill Company Decide to Install Electric Pumps. The following officers of the Pioneer Mill have been elected for the ensuing year: Paul Isenberg was re-elected president; H. A. Isenberg, vice president; H. Schultze, treasurer; F. Klamp, secretary, and W. Protenhauer, auditor. These officers, with the exception of the auditor, together with the following constitute the board of directors: F. W. Macfarlane, H. Focke, and J. A. McCandless. It was reported at the meeting that the company would install a complete electric system with which to run the pumps. The officers and manager believe that the electric system will be more beneficial in the general run. The subject is being fully investigated by an expert and upon his report the officers will make their decision as to whether the project shall be forthcoming. The report of the new manager is not yet ready. It will be presented when the expert's report is considered. A committee of the directors will also make a report of their personal investigation of the plantation which they looked over last week. WATERED MILK AGAIN. Manager Doak of Magoon's Star Dairy Will Appear in Court. After successfully dodging the police for several days, A. B. Doak, of Magoon's Star Dairy Company, gave himself up yesterday afternoon at the police station. He was charged with violating section 3, act 34, of the laws of 1898, which means that he is supposed to have freely distributed water in the milk sold by the company which he represents. A warrant had been out for his arrest for several days, but he had managed to evade the officers of the law. Drivers of the milk wagons of the dairy company had been arrested once or twice, but had always referred the police to Doak. Doak deposited \$100 at the police station in lieu of going to jail. His case comes up in the police court before Judge Wilcox this morning. Sonoma Delayed. The cause of the Sonoma's long stay in this port was the great amount of freight she had for Honolulu, especially the cold storage goods. Men were kept working all night in discharging cargo. It was almost 3 o'clock in the afternoon when the Sonoma sailed for the Colonies yesterday. Assault and Battery. Manuel Muniz was arrested yesterday evening and is now being held at the police station for investigation. He is charged with assault and battery on a countryman of his by the name of Antoine Cabral.
